VOLUNTEERING - CRUZ ROJA

ABOUT ME

Full Stack Developer passionate about building high-quality applications.I specialize in front-end technologies like React, NextJS, HTML, CSS, and JavaScript, as well as back-end technologies like NodeJS, MongoDB, and Postgres. I learned technologies like TypeScript, Firebase, Prisma, Docker, and Git. I've also worked with UI design frameworks like Framer and MUI.

Furthermore, I have experience in finance, accounting, trade, and international business management in Spain, Colombia and US clients. I have eager to learn new technologies and frameworks. I also stand out for my problem-solving and client-oriented skills.

WORK EXPERIENCE
